CESC Launches CES China Semiconductor Index

China Exchanges Services Company Limited (CESC) announced today that it will launch the CES China Semiconductor Index (CES China Semiconductor) on 26 September 2018.

The CES China Semiconductor is designed to track the overall performance of listed semiconductor companies on the A-share market with business scope ranging from semiconductor materials, equipment, design, manufacture, assembly, packaging and testing.

Close index value of the CES China Semiconductor will be made available in RMB via CESC website. For more information, please refer to the index methodology posted on the CESC website (www.cesc.com).

About CESC

CESC is a joint venture formed and equally owned by Hong Kong Exchanges and Clearing Limited, the Shanghai Stock Exchange and the Shenzhen Stock Exchange. Its aim is to contribute to the development of China's capital markets. Registered and incorporated in Hong Kong, CESC was officially launched in September 2012 and commenced operations on 30 October. CESC's principal businesses include compiling cross-border indices based on products traded on the Hong Kong and Mainland securities markets, developing industry classifications for listed companies, and developing information standards and information products. CESC also develops financial products to link the Mainland and Hong Kong markets with global investors. China Securities Index Company Limited is commissioned to calculate, provide index maintenance and dissemination service for the CES indices.
